U.S. Probation Officer Action:

The police report from the February 11, 2008 indicates that members of the Kanawha County Sheriff's Department were pursuing Mr. Hanshaw's son, Mark Hanshaw Jr., which is how they arrived at the residence of the offender. The report indicates upon entering the residence, Mr. Hanshaw refused to allow his son to go with them, acted in an aggressive manner toward the officers, and refused to take his hands out of his pockets when verbally commanded three times. As a result, cap-stun was used to subdue the offender and he was subsequently taken into custody. Mr. Hanshaw reported to the office on February 12, 2008 after being released from the regional jail to report the above arrest. The offender maintained that he did not obstruct the officer. A urine screen was observed that tested negative for illegal substances.

Re: Mark Vincent Hanshaw
Docket No. 2:08CR00065-001

Since the date of arrest, Mr. Hanshaw has obtained employment and all urine specimens have been negative. Mr. Hanshaw reported to the office after entering the no contest plea on July 1, 2008, and was advised that the Court would be notified of the conviction. This officer emphasized to Mr. Hanshaw, that if the Court decided not to pursue revocation at this time, this issue could be filed in a future petition, if the offender had any further violations. At this time, it appears Mr. Hanshaw is making positive strides to change his life and this probation officer respectfully recommends continuing him on supervision with all future violation behavior being reported to the Court.

Respectfully submitted,
